OJARA

NOS ENGANCHAMOS
A LA CALIDAD

En Ojara, reconocemos la importancia de la economía circular como un enfoque fundamental en nuestra operación. Nos comprometemos a cerrar el ciclo de vida de nuestros productos, desde su diseño hasta su disposición final, minimizando el desperdicio y maximizando el valor de los recursos. Adoptamos prácticas que fomentan la reutilización, el reciclaje y la remanufactura, asegurando que nuestros productos y materiales mantengan su utilidad y valor a lo largo del tiempo. Al priorizar la economía circular, no solo reducimos nuestro impacto ambiental, sino que también impulsamos la innovación, la eficiencia y la resiliencia en nuestra cadena de suministro y más allá.

Contamos con una gama de más de 200 referencias de ganchos especializados, diseñados para adaptarse a todo tipo de prendas. Entendemos que cada artículo requiere un gancho específico para una presentación óptima, por eso ofrecemos una variedad de estilos, colores y opciones personalizadas para satisfacer tus necesidades. Nuestros ganchos están diseñados para seguir las tendencias de la industria de la moda, garantizando calidad y estilo en cada presentación.

Si no encuentras el gancho que estás buscando en nuestro catálogo, ¡no te preocupes! En Ojara, estamos listos para diseñar y fabricar el gancho perfecto para ti. Confía en nosotros para brindarte soluciones a medida que se adapten a tus necesidades específicas.

Canastilla organizadora, multiusos y plegable ideal para el empaque y transporte de alimentos, bodegaje y almacenamiento de todo tipo de elementos. También para organizar y economizar espacio en apilamiento vertical, transportar, distribuir y manipular mercancías o productos varios en el hogar.

RECUPERAMOS gran cantidad de los ganchos que comercializamos. Muchos retornan a nuestras instalaciones para ser seleccionados cuidadosamente para ser distribuidos nuevamente en el mercado a un precio más económico.

REPARAMOS con tecnología avanzada todo lo posible antes de descartar. Nuestros productos son reparados para minimizar residuos.

REDISTRIBUIMOS productos usados que recogemos, los seleccionamos y vendemos a menor precio.

REDUCIMOS el uso de agua y energía y monitoreamos operaciones en tiempo real con tecnología.

REPENSAMOS, revisamos y actualizamos continuamente nuestros procesos. En un mundo cambiante, lo que fue efectivo antes puede ser obsoleto ahora.

REDISEÑAMOS constantemente nuestros productos y nuestros procesos para hacerlos más eficientes y productivos, esto repercute en el uso de menos recursos

REFABRICAMOS nuestros moldes para hacer ganchos más livianos y resistentes y duplicamos su productividad para usar menos energía y menos recursos en su producción.

REUTILIZAMOS muchos elementos e insumos principalmente la materia prima. Internamente no hay desperdicio, toda la materia prima se reutiliza.

RECICLAMOS todos nuestros productos y luego de cumplir el ciclo de usabilidad retornan a nuestras instalaciones para volver a convertirse en un producto totalmente renovado.
